DELIVERY OF SHAREHOLDER DOCUMENTS VIA THE INTERNET

We are pleased to announce that for all future mailings of Nokia Corporation shareholder documents to ADR holders (such as disclosure documents, proxy material, etc.) you may receive these documents over the Internet.

As a beneficial owner of ADSs, i.e. if you hold your ADSs through a custodian, broker, or other agent, you may receive your shareholder documents electronically by registering at the website www.proxyvote.com and completing the on-line consent form. The same site is used to vote online and you may register to receive future electronic notices at the end of the voting session.

Also, please note that:

- Your consent is entirely revocable by visiting www.proxyvote.com at any time.
- You can always vote on the Internet (www.proxyvote.com), whether or not you elect to receive your shareholder documents electronically.
- If you consent to receive your shareholder documents electronically as described above, instructions for accessing those documents will be sent to you on Nokia Corporation's mail date. Please note that this means that you will receive documents in advance of those ADR holders receiving printed documents.
