

INSTALLATION INSTRUCTIONS FOR CONTACT DOWNLOAD APPLICATION for the Nokia Car Phone

Installation Instructions

Perform the following steps in order to install the Contact Download Application for the Nokia car phone:

1. Remove previous pairings of your mobile phone with the Nokia car phone
2. Download the application from www.nokia.com to a PC compatible with your mobile phone
Please follow the instructions on the web page.
3. Download the application from the PC to your mobile phone
If the PC has an infrared port, follow these instructions:
 1. Start the infrared connection on your mobile phone
 2. Place the mobile phone to the infrared port of the PC
 3. Click on the infrared icon on the PC desktop when the devices are connected
 4. Search the `contact_sync.sis` file on the PC, select it and press Send to start the download.

If the PC does not have an infrared port, please follow the instructions in the relevant User's Guide of your mobile phone to connect your mobile phone with the PC.
4. Install the Contact Download application on your mobile phone
The application is now available in the inbox of your mobile. Store it on your mobile phone and the installation starts automatically. Read and answer appropriately to all questions.
5. Pair your mobile phone with the Nokia car phone
Enable Bluetooth technology on your mobile phone and follow the instructions in the User's Guide of the Nokia car phone.

For downloading the contacts from your mobile phone to your Nokia car phone please follow the instructions in the User's Guide of the Nokia car phone.

For further information on the use of the Nokia car phone and your mobile phone please consult the relevant User's Guides.

Nokia operates a policy of continuous development. Nokia reserves the right to make changes and improvements to any of the products described in this document without prior notice. The availability of particular products may vary by region. Specifications are subject to change without notice. Under no circumstances shall Nokia be responsible for any loss of data or income or any special, incidental, consequential or indirect damages howsoever caused.
